OBJECTIVE

Seeking a supportive continuum - To be indulged with an environment that has unique & genuine individuals. To be submerged in art & design, where experiences influence & motivate me to grow with my surroundings.

EDUCATION

University of California, Irvine 2001 - 2003
Bachelor of Arts Degree in Studio Arts
Minor in Digital Arts

Area of Study: Painting, Photography, and
Video with an emphasis on Design.

SKILLS

I'm a former PC enthusiast that has been converted to a Mac lover. I'm a designer that loves the production side of the process. Along with a cup of coffee, I throw it down in Dreamweaver & Photoshop. No Joke.

Working knowledge of Microsoft Office, Quark and Adobe Products, as well as Audio & Video Editing Software. Adept in Dreamweaver, Photoshop, Premiere, *Flash, *Illustrator, and *InDesign

*Knowledge and experienced with, but limited.
